Give Exterior Updates the Green Light

Mother Nature isn't the only one with vibrant colors at her fingertips! Thanks to today's wide range of remodeling options, you can reduce your home's fire risk and modernize your curb appeal in one project.

A Palette of Possibilities

Make a Bold Statement

[Royal® Siding in Eclipse](#)

Whether it's a striking detail like a black soffit or an entire home clad with black siding and sophisticated brick or stone MSV, durable black exterior products offer both protection and aesthetic appeal.

Small Update, Big Impact
